Instructions on Homework Submission

1. Please zip your files before submission and named it as **HW[#]-[Net ID].zip**.

*Do **NOT** use .rar, .7z, etc.*

2. **Only** two kinds of files are necessary to be included in the zip file.

(a) source files (i.e. *.c, *.cpp, *.h, *.py, etc.)

(b) results (i.e. *.txt, *.csv, *.mdb, or screenshots)

*Do **NOT** include the whole project, or any other files.*

3. Examples for Homework 1 & 2 submission.

HW1_ys3239.zip

```
|_ aSampleSourceFile.cpp
|_ aSampleOutput.txt
```

HW2_ys3239.zip

```
|_ aSampleSourceFile.cpp
|_ aSampleOutput.txt
|_ aSampleScreenshot.png
```

4. Failed to follow the instruction would influence your grading.

5. Instructions for term project submission might be different.

Please make sure you meet the professor's requirement.
